Instant Gaming will award one game available on the website [www.instant-gaming.com](http://www.instant-gaming.com) for free. Every participant is able to choose the game they wish, pre-orders no included, subject to availability.

### **Duration of the contest**

The contest deadline is indicated on the contest landing page and can't be changed in any case.

### **The Winner**

The winner will be announced directly on the landing page at the end of the contest. Instant Gaming will send the game directly to the winner and will notify him/her through e-mail.

### **Privacy Notice**

*All information submitted in connection with this giveaway will be treated in accordance with our Terms & Conditions. Instant Gaming respects and protects the privacy of users. For the organization of the contest, some personal data of the user is necessary for the creation of an Instant Gaming profile. The creation of the Instant Gaming profile can be done via registration with the personal Facebook account, the Google+ account, or the personal e-mail address. An Instant Gaming profile is required for the participation and reception of the prize. Instant Gaming processes personal data with the strictest confidentiality. Current provisions on data protection are respected. The creation of an Instant Gaming account, the use of preferential codes as well as the exchanges between Instant Gaming and the users are subjected to data privacy laws in the users current country of residence. Entrants agree to the usage of their public profile on social media channels. The created profiles are maintained at the end of the contest. In no event does Instant Gaming resell your data to third parties.*
